

Barbara joined Underwood Engineers in 2004 with 30+ years of experience in county/state government, the private manufacturing/engineering sector, and as a small business owner. In her position as Administrative Assistant in our Concord Office, she provides administrative and clerical support to all engineering staff at that location.

Together with her husband and her son, they operate logging, trucking, and farming operations from their home in Webster. Her six grandchildren are active in the farming operation, various sports, and camping activities. Barbara enjoys quality time with her family and friends, as well as traveling and camping in the mountains and at the seacoast.
