

Ben joined Underwood Engineers in 2004 after graduating from UNH. As a project manager at Underwood, Ben leads Underwood's stormwater group with a passion for Municipal LID and Green Infrastructure projects. Relevant work experience includes incorporating LID into streetscape, roadway and municipal facility projects.

Out of the office Ben enjoys quality time in the outdoors camping, backpacking and boating with his wife and 5 kids. Favorite adventure spots include Belknap Mountains, White Mountains, Adirondacks, Acadia and Lake Winnepesaukee.

Gilman Pond

Adirondacks – Long Lake Double Rainbow

Acadia – Bar Harbor

Acadia – Schoodic Peninsula

Mt. Moosilauke – 2 Days 13 Miles

Mt. Washington – 3 Days 20 Miles

Piper Mountain – Belknap Mountain Range

On summer nights Ben sneaks out for PHRF sailboat racing.
