

Keith Noyes is a Resident Project Representative at Underwood Engineers where Keith works with the Project Managers and design teams to ensure projects are completed in accordance with the Project Manuals, within the project budget, and most importantly clients' interests are protected.

Keith recently retired after working in the Public Works field for over 30 years, 25 of which he served as the Public Works Director for the Towns of Exeter and Hampton. Keith's brings unique experience and broad knowledge regarding infrastructure planning, construction improvements and community relations to the Underwood team. Keith served as the President of the New Hampshire Public Works Association for a 3-year term and on the Board of Directors for 10 years and is an honorary lifelong member of the American Public Works Association.

Keith loves the outdoors and is an avid hiker and experienced SCUBA diver. Keith has lived in Exeter with his family for over 33 years.
