

*“Life is too short to be reading my biographical, but if you would like to know me better then please continue to read on. In my spare time I arm wrestle cats and tickle spiders. I enjoy nothing more than a good hike taking in the great New Hampshire scenery with the fresh mountainous air, in fact I am so fresh they call me Febreze. Time for me to put the kettle on and make a nice cup of tea and in case I don’t see ya, good morning, good afternoon, good evening and good night.” □*
